FOREWORD

Welcome to the 2010 edition of the Guide to Purchasing from State Contracts.

The guide provides an easy to use format to find information on goods and services available from State Contracts. NSW Procurement arranges State Contracts that are single supplier contracts or panel arrangements on behalf of the State Contracts Control Board.

With over 70 State Contracts, there are more than 100,000 goods and services with competitive prices available to all NSW Government agencies, State Owned Corporations and eligible customers.

The goods and services available range from commonly used items such as paper, laptops, motor vehicles to less common ones such as health screening and floor coverings.

If your organisation is not registered to buy from a State Contract, I encourage you to complete and submit the application form available at www.nswbuy.com.au

Anne Skewes
Deputy Director General
Government Services Division

June 2010

BENEFITING THE PUBLIC SECTOR

State Contracts are the principal method of purchasing for Government agencies across New South Wales.

The contracts are established under the authority of the State Contracts Control Board (SCCB), a statutory body established under the Public Sector Employment and Management Act 2002. The SCCB is responsible for the supply and disposal of goods and services for the public sector service.

NSW Procurement Contracting Services is the operational arm of the SCCB and its team of specialists has a central role in advising and reviewing processes with the aim of helping to maximise savings through negotiating price reductions, enhanced product range and increased quality in supplier contract performance.

WHO IS ELIGIBLE TO PURCHASE FROM STATE CONTRACTS

The following list covers all eligible customer categories:

- (a) Any public sector service agency employing staff appointed under the Public Sector Employment and Management Act 2002;
- (b) A public body as defined by clause 18(4) of the Public Sector Management (Goods and Services) Regulation 2000:
 - (i) A government trading enterprise (including a State owned corporation);
 - (ii) A public or private hospital (including an area health service);
 - (iii) Councils and local government agencies;
 - (iv) A charity or other community non-profit organisation;
 - (v) A public or private school or a college or university;
 - (vi) A public authority of this State, the Commonwealth or of any other State or Territory;
 - (vii) A contractor to a public authority (but only in respect of things done as such a contractor);

All customers must be officially registered with NSW Procurement before they can purchase from State Contracts.

Note: The above list is applicable to most State Contracts, however, there may be variations to this, depending on the scope of the contract.

NEW CUSTOMER REGISTRATION

Eligible State Contract customers must be officially registered with NSW Procurement before they can take advantage of the savings on products and services offered through State Contracts.

BUYING FOR GOVERNMENT

The registration process is simple and efficient. Just visit www.nswbuy.com.au and complete the electronic form available online.

Once approved, you will be advised of your NSWBUY Identification Number. This number allows you to purchase from State Contracts.

Phone **1800 NSWBUY (1800 679 289)** if you have any problems completing your application form or if you wish to check your registration status.

ORDERING FROM STATE CONTRACTS

Once you are registered with NSW Procurement, you can purchase goods and services available through State Contracts. Where appropriate, NSW Procurement encourages all buyers to purchase through smartbuy® however you can also place your order direct with the supplier, quoting your NSWBUY Registration Number and the relevant State Contract number.

Phone the NSW Procurement Client Support Centre on **1800 NSW BUY (1800 679 289)** if you require any assistance with ordering from a State Contract or for further information.

Placing an order through smartbuy®

Registered customers have the added advantage of using smartbuy®, the NSW Government's electronic marketplace.

Simply visit www.nswprocurement.com.au/buy-online.aspx, complete the e-form in the buyers section online and submit. Once confirmation of the online application is received back from your organisation's authoriser, a Log In and User ID will be generated to allow you access to the Search and Browse facility of smartbuy®. The Search and Browse facility allows you to view the goods and services listed and compare prices before placing an order.

If you would like to take advantage of the smartbuy® training on offer or wish to find out how you can use the smartbuy® portfolio of tools to streamline your procurement activities, phone **1800 NSWBUY (1800 679 289)**.

Placing a manual order

1. Prepare Purchase Order Information

- Contract Number and Name (e.g. C100 - Contingent Workforce)
- Name and address of Supplier and Customer
- NSWBUY Identification Number (If you are unsure if you are a registered buyer with a NSWBUY Identification Number, contact the Client Support Centre on **1800 NSWBUY (1800 679 289)** or email nswbuy@services.nsw.gov.au)
- Customer's Purchase Order Number
- Date of order and delivery
- Additional information, such as description of services, quantity and price

2. Place an order with supplier via phone, fax, email or your ERP system

USING PROCUREMENT WEBSITES TO ASSIST WITH PURCHASING

www.nswbuy.com.au

SUPPLIER MANAGEMENT FEE

This fee is payable by suppliers appointed to State Contracts arranged by the State Contracts Control Board (SCCB) and has been set at a maximum of 2.5% of the contract value of goods and services sold. The average management fee is 1.4%.

The management fee funds the ongoing administration and management of the SCCB's rolling contracts program as well as other commercial, business development and statutory obligations. It also provides a contribution toward corporate overheads and returns a dividend to Government in financial, savings, industry development and social benefit terms.

Management Fee is paid by suppliers to NSW Procurement on a regular basis. It is not paid by the purchasing agency. Prices obtained through the tender process continue to be extremely favourable when compared to generally available wholesale, trade and retail prices.

GETTING THE BEST VALUE FROM STATE CONTRACTS

Here are some tips to help you secure best value for your agency or business when purchasing through State Contracts.

- Customers are encouraged to use the smartbuy® facility as it provides the opportunity to search and browse through catalogues, allowing you to compare prices and overall value for your business before making a purchase.
- The prices listed in smartbuy® are the maximum prices that can be charged per item. In many instances volume discounts and other concessions are available and you should enquire with the supplier if there is an opportunity for a better price on the item or items you are considering to purchase.
- Products available often offer added value such as extended warranty, maintenance agreements, free delivery, quality assurance guarantees and discounts for early settlement of accounts. Check the individual State Contract Guide or supplier for details.

The team at NSW Procurement Client Support Centre are at hand to provide advice and assistance to you in obtaining the best value from your State Contract purchase. Phone **1800 NSWBUY (1800 679 289)**.
